- Reactjs and web frameworks
- aws(Cloud Computing)

Profile

As an enthusiastic web developer, I immerse myself in the dynamic world of coding, design, and innovation. With each line of code, I sculpt digital experiences that captivate and inspire. My passion drives me to push boundaries, embrace challenges, and continually evolve my skills. Through dedication and creativity, I craft websites that not only function flawlessly but also resonate with users on a profound level. As I embark on each new project, I embrace the opportunity to leave my mark on the ever-expanding landscape of the internet.

Education

**Bachelor of Engineering (B.E.) in Computer
Science and Cybersecurity (In Progress),
Expected Graduation: 2026**

Sri Krishna College of Engineering and Technology , Coimbatore

Courses

**NPTEL(Enhancing Soft Skills and Personality,
Privacy and Security in Online Social Media)**

NPTEL Online Certifications:

- Completed courses in "Enhancing Soft Skills and Personality" and "Privacy and Security in Online Social Media" from NPTEL.
- Enhanced communication, interpersonal skills, and personal development through the soft skills course.
- Acquired knowledge of online privacy and security measures in social media from the second course.
- Demonstrates dedication to ongoing learning and professional growth.

Achievements

Active participant in IDEATHON competitions, showcasing innovative thinking and problem-solving skills. Successfully completed numerous NPTEL online certifications, demonstrating a commitment to continuous learning and skill development. Proficient speaker, adept at effectively communicating ideas and engaging audiences.
